KNOWLEDGE IS LIGHT

Dear Parents,

15th June, 2020.

You are aware that we have started our Online Classes today, but it was very distressing to know that many children in the Secondary Section are misbehaving. It has taken a lot of effort by the Management, Principal and Teachers to start these classes in order for it to be beneficial for your children. Certain Rules & Regulations need to be followed **STRICTLY**.

1. A five minute grace period will be given for logging in, after that your child will not be allowed.
2. Children will not be allowed to join in with their device names, they have to join in with their Complete names, Std.-Div. and Roll No.
3. The teacher will mute all the students in the beginning of the session. Incase the student has a doubt he/she can unmute, ask the question and mute themselves again.
4. Any sort of disobedience or misbehaviour from any student will not be tolerated. He/she will be removed from the session **PERMANENTLY**.
5. Please note that there will be tests taken at a later date and marks for the same will be given and counted.

We request the parents to kindly make sure that their child attends these classes with full attention and proper discipline.

Looking forward for your co-operation in helping us making these classes a success.

Thanking you,

Ms. R. Parelwalla,
Principal.
